Dear All,

I am very happy about the decision that the ESTA autumn meeting will be held in Poland - my country of origin. In connection with the above, I would like to invite you to this special event which will take place on 19 October 2017 in Cracow - a beautiful city with a wonderful history.

In addition to the standard meetings of the transport and crane section, as a Polish Heavy Transport Association we would also like to invite you to the official dinner with networking. It will take place in a unique place - 125 meters underground in the Salt Mine in Wieliczka. We expect around 200-250 people from the heavy transport industry.

Transport

As for the transport you can fly directly to Cracow (KRK). It is also possible to connect to Warsaw (WAW). There is fast train which arrives to Krakow in just over 2 hours.

Venue

The meetings will take place in the Sheraton Grand Hotel in Krakow (Powiśle 7, 31-101 Kraków), where we have 40 rooms available. There is special link for the reservation, which you can use: <https://www.starwoodmeeting.com/events/start.action?id=1702017800&key=128F4A65>.

We will provide you with a shuttle from the hotel to the Salt Mine, where the official dinner will take place and back.

Sightseeing

On the next day - October 20 in the afternoon, we encourage you to take advantage of the opportunity to sightsee. There are 2 options: visiting the landmarks in the centre of Cracow, as well as the trip to Memorial and Museum Auschwitz-Birkenau - former German Nazi concentration and extermination camp.

Registration on meetings, dinner and sightseeing

For organizational reasons please register your presence by filing out the registration form on the dedicated event page, which we have posted on our association website: <http://ponadnormatywni.pl/esta/>.

If I can be of assistance, please do not hesitate to contact me.
